

ACT CONFERENCE 2015

NDIS: CHANGE, CHALLENGE & CHOICE

23-24 MARCH • NATIONAL CONVENTION CENTRE, CANBERRA

A major disability conference is coming to Canberra in 2015.

The **NDIS: Change, Challenge and Choice conference** for people with disability, their families, carers and the frontline disability workforce.

Delegates to the conference can:

- Hear first-hand from people with disability, families, service providers and workers who have been experiencing the changes, challenges and choices from across Australia.
- Engage and ask questions of NDIS experts and the leaders of the National Disability Insurance Agency and the ACT Government.
- Attend workshops with practical information, tools and resources that you can put into practice immediately.

The **NDIS: Change, Challenge and Choice conference** is a major opportunity to get to know what the NDIS means for you.

To find out more and to register visit the conference website:
